- * Your Affiliate position in our 3-Tier structure
- * Your bonus permanent position in the Advanced Rotation

Example of our 3-Tier Affiliate Structure:

Level 3: $\$15 \times 10 = \150

Level 2: $\$10 \times 10 \times 10 = \$1,000$

Level 1: $\$5 \times 10 \times 10 \times 10 = \$5,000$

Total = \$6,150.00

The example to the left is only for reference, to show how powerful the 3-Tier Structure is. We would expect that most affiliates would want to get more than 10 members in level 3, but even if you only get 10 affiliates to join you, look at the power of multiplying! You can repeat this over and over as long as you want.
