

# Sycamore Creek's "The Power of 9"

Sycamore Creek—where one small investment nets nearly **\$25,000**  
AND NO ONE GETS LEFT BEHIND!

**No Sponsoring Required** to benefit fully from our 3-Matrix Program

Each person may hold up to 3 positions, but more positions are possible for those who do wish to sponsor others into the plan.

In the Heart of Texas

★ Earn **1 FREE POSITION** for every 9 positions you personally sponsor ★

**AUTOMATIC**

**RE-ENTRIES**

**RESIDUAL INCOME**

TODAY'S efforts keep  
generating income  
for you long into  
THE FUTURE!

**EARN FAST COMMISSIONS**—For every position you sponsor,  
you will receive the **\$20 Entry Fee** right away as a commission!

**\$100 Matrix:** Just **\$20 plus 2 stamps** reserves for you the first available position in our company-wide matrix. When your small 2x3 matrix (2 rows x 3 columns) is filled—3 positions on your first level and 9 positions on your second level—with entries sponsored by our members working together, we will notify you that you have 21 days to send us your \$100 payment for the position you reserved with your \$20 entry fee. The \$100 will go to the member 2 levels above you in the matrix. As soon as we receive your \$100, a position in our \$500 Matrix will be reserved for you. When the first person on your second level sends in \$100, you will receive an AUTOMATIC RE-ENTRY position. When the next 5 members on your second level send in their \$100s, this \$500 will go to the member two levels up from you in the \$500 Matrix, and a position in our \$2,500 Matrix will be reserved for you. When the last 3 members on your second level send in their \$100s, we will pay these \$100s to you (total \$300).

**Our Unique Investor Service:** Total out-of-pocket expense for you is \$120 for each position. However, if you cannot afford the \$100, we have investors who will loan it to you when your 2x3 matrix is filled up, so that you may participate fully in our program. This \$100, plus a small \$25 investor service fee, will be repaid to the investors out of your future earnings.

**\$500 Matrix:** The first five \$500s from your second level are paid to the member two levels up from you in our \$2,500 Matrix. The remaining four \$500s are paid to you (total \$2,000).

**\$2,500 Matrix:** All nine \$2,500s from your second level are paid to you (total \$22,500). Grand total paid to you for one position:  $\$300 + \$2,000 + \$22,500 = \$24,800$ —plus re-entry positions yielding the same amount, over and over again. The time it takes for this to happen depends entirely on how fast our members work together to bring in new members to fill the company-wide matrix. Each member's individual 2x3 matrix is filled in the order in which that member joins the program.

★ **\*\*BONUS FEATURE\*\***—(Optional): Sending your \$100 early (before your matrix is filled), for the position reserved for you in our \$100 Matrix, will reserve a position for you sooner in our \$500 Matrix, qualifying you to **receive funds earlier than you will if you wait to pay the \$100**. Sponsoring 9 positions also qualifies you to receive funds sooner. You may also enter our \$2,500 Matrix right away by paying the \$500 yourself and being reimbursed this amount later as it comes in from your second level. For each \$100 you send us, you will receive a \$1000 gift certificate for participating in our plan.

The payments you receive from Sycamore Creek are taxable income and are reported to the IRS. We need your Tax ID# for the 1099 Form that you and the IRS will receive copies of in January of each year, if we pay you \$600 or more.
